#4) THE PROMISE FOR THIS CHRISTMAS: _____

APPLICATION QUESTIONS:

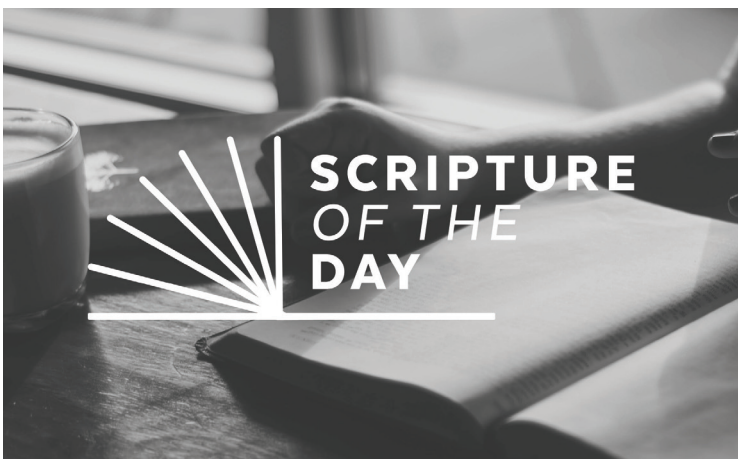

Every single time we study the word together the question is not just what did we hear, but what are we going to do?! (James 1:22-25) Since there are NO fellowship groups this week make sure you spend some time praying in response to the sermon. Also, it would be wonderful to talk about the birth of Jesus with your family or loved ones this Christmas!

#1. How is your celebration of Christmas actually going to include the worship of Jesus?

#2. Read Isaiah 7:14 & Micah 5:2. What is your personal response to these prophecies of Christmas past?

How would you explain them to someone who does not believe Jesus is the Christ or the Bible is the word of God?

#3. What does it mean Jesus is with you? How do you practice his presence not only this Christmas but every day of the year?

Do you remember when we started Matthew? Check out chapters 1 & 2 on our Scripture of the Day YouTube channel! Feel free to binge through the whole book!
